

Dear Men's League Member,

Thank you for your participation in The Sanctuary's Men's League. We had a fantastic 2025 season and look forward to another great year in 2026!

The league will be run by the professional staff here at The Sanctuary, and the first opportunity for practice rounds will be the week of March 23rd. You are not required to play, but you may use your scores to establish your handicap (we use a system for scoring that enables a handicap to be developed with just 1 score). The first week of official scoring for the league will be the week of April 27th. The final league night will be September 28th. The last day will be the end of the year banquet/steak dinner. All prizes and awards accumulated throughout the season will be presented at the banquet. You must be in attendance to claim your prizes. No "substitute league members" will be allowed on Banquet Night.

The scoring will be a modified Stableford point system again this year, with players competing as individuals. We will be determining the overall winner and top 40 (+/-) by total points for the season.

Entries for the league will be accepted at any time; however, players that sign up after the first official league start date will be at a disadvantage as they will have fewer weeks of accumulated points toward their season total.

Standings and all other league information needed are posted on the league board located in the main hallway of the clubhouse.

In order to receive the league rate (\$27 to walk or \$39 to ride on weekdays [Monday-Friday]) you must pay your \$75 registration fee and play on the designated league days! You may play up to 18 holes if you desire but remember that this is only scored as a 9-hole league.

You must turn in a scorecard to the golf shop if you wish to have your points counted towards your season total. Your scorecard should have the date of play and your first and last name clearly written on it. You can submit a score on any day you play (You may play on the weekend or holidays and submit a score, but you will pay the applicable weekend/holiday rate).

Scorecards will need to be turned in before the end of day on Saturday to be included in the points for that week (playing ahead for an anticipated missed week is the proper procedure as we do not "go back" and submit scores for previous weeks that have been missed).

Please note that you may play either the front or the back 9 for an "official" league score, but understand that the course staff will determine which 9 you are able to play or start on based on the course's needs for the day.

You will be booking tee times for your rounds, so you may play with whomever you prefer. If you do not have a foursome, you may be paired up to make one. Players that are not league members will not be eligible for the special league rate, but will pay the standard green fees.

There are two league contacts at The Sanctuary. You can reach them by phone or email most every day of the week.

All questions, comments, and concerns can be directed to Ben McAdams, Assistant Golf Professional. Call 815-462-4653 Ext. 8 via phone or use bmcadams@newlenoxparks.org to contact him via email.

The other contact for this league is Ethan Bedsaul, Assistant Golf Professional, by phone or through email at ebedsaul@newlenoxparks.org.

Thank you,

The Sanctuary Golf Course Staff
